INFORMATION DISCLOSURE STATEMENT

Please consider the references listed on the enclosed PTO-1449 form. Foreign patent documents and non-patent literature are enclosed; cited U.S. patents and patent application publications will be provided on request. This is the second of two separate information disclosure statements that are being filed today. The reason for the separate filings is the fact that EFS permits only a limited number of attachments per EFS filing.

This statement is being filed before the receipt of a first Office Action on the merits. Please apply any charges or credits to Deposit Account No. 06-1050, referencing Attorney Docket No. 06275-474US1.

Respectfully submitted,

Date: July 18, 2008
